

ANKIT KUMAR

Civil Engineering Student

Delhi, India | +91 7488810359 | ankitkumarjha10022005@gmail.com

Date of Birth: 10 February 2005 | Nationality: Indian

[LinkedIn](#) | [Portfolio](#)

Profile	Civil Engineer and BIM Specialist with hands-on international experience across Germany and India. Founder of an early-stage BIM consultancy and experienced in remote, cross-cultural project delivery. Combines a strong foundation in digital construction (ArchiCAD, Revit) with proven leadership in project operations, quality control, and cross-functional team management. Seeking a Master's degree to deepen expertise in Construction Project Management and Built Environment innovation.
---------	---

Education	
2023 – Present (Expected 2027)	B.Tech, Civil Engineering Delhi Technological University (DTU), Delhi, India - Focus areas: Quantity Surveying & Estimation, Engineering Economics, Smart City Planning, Structural Analysis, Reinforced Cement Concrete, Geotechnical & Transportation Engineering, Design of Steel Structures, Environmental & Water Resource Engineering, and related coursework. - Practical exposure to architectural BIM modelling, AutoCAD-based civil engineering work, and professional project coordination alongside coursework.

Professional Experience	
Jul 2026 – Present	Intern Studio Orange, India - Coordinate with junior engineers and cross-functional teams across 10+ active projects to track deliverables, resolve design conflicts, and keep execution aligned with client requirements and timelines. - Run structured reviews and quality control checks against defined standards, reducing recurring coordination gaps across project stages. - Maintain project and issue trackers to support timely follow-up across stakeholders and project phases.
Jan 2026 – Jun 2026	Architecture & BIM Intern Celegohr GmbH, Germany (remote) - Developed architectural BIM models using ArchiCAD, delivering 150+ BIM models for international projects and validating requirements against client and industry standards. - Performed 30+ structured BIM model quality checks per month, identifying inconsistencies and defining corrective actions that improved model accuracy before delivery. - Collaborated with distributed international teams in a remote, process-driven workflow, strengthening documentation and cross-team coordination skills.
Jul 2025 – Aug 2025	AutoCAD Design & Drafting – Truss Bridge Renovation Freelance Project, India - Translated a client firm's project requirements into detailed 2D AutoCAD drawings for a truss bridge renovation. - Prepared, refined, and revised technical drawing details based on client feedback within the agreed scope and timeline.
Feb 2024 – Apr 2024	USIP Intern Delhi Technological University – Dean Undergraduate Office, Delhi, India - Prepared reports and official documentation using Microsoft Excel for organisation and management. - Supported office-management activities and administrative workflows.

Projects	
Independent Project	Delhi Traffic Congestion & Signal Optimization Dashboard - Analyzed 2,000+ traffic observations and modelled a 76-second average delay reduction using SQL-based data models and KPI queries to identify congestion hotspots across 5 key corridors. - Built a 5-page Power BI dashboard with 60% coverage of key metrics, integrating Kaggle datasets with simulated Delhi-specific corridor data.

Independent Project	CadetOS – NCC Management Platform - Identified coordination gaps in attendance management, scheduling, and reporting within a unit of 150+ cadets, tracing root causes to manual, paper-based processes. - Mapped 3 stakeholder personas, scoped a PRD, and prioritized attendance automation, scheduling, and reporting as the highest-impact features. - Built a working prototype with centralized dashboards, improving visibility into unit-level activity for stakeholders.
---------------------	--

Leadership & Extracurricular Activities	
May 2025 – May 2026	Junior Under Officer (JUO) 1 Delhi Battalion NCC, Delhi Technological University - Managed and mentored 100+ cadets across training, discipline, and task allocation; coordinated cadets during camps and events. - Led Squadron Delta and served as Camp 2IC (2nd in command) during a 10-day Combined Annual Training Camp (CATC), managing approximately 450+ cadets as Company Senior. - Completed NCC tenure in May 2026, holding the A, B, and C Certificates.
Jun 2024 – May 2026	Vice President & Media Head SAAMANT 2024, 2025 & 2026 — DTU NCC - Led planning and execution of SAAMANT, DTU's flagship annual fest, coordinating a 40+ person organizing team across 15+ events for 3,000+ attendees. - Managed vendor coordination, procurement, budget tracking, and marketing; oversaw the Guard of Honour and Best Cadet Competition on event day.
Oct 2025	Winner-Affordable Bionic Arm Innovation Project Inter-Group Idea & Innovation Competition, NCC Developed a low-cost bionic arm concept (target cost below ₹75,000); selected to represent Delhi Directorate at the national level All India Idea & Innovation Competition, Vijayawada.

Certifications	
Certificates	- Google Project Management Professional Certificate - National Cadet Corps 'A', 'B' & 'C' Certificates

Technical & Professional Skills	
Skills	Civil Engineering & Design: AutoCAD 2D/3D, Technical Drafting, Civil Engineering Design, Engineering Drawings BIM & Digital Construction: ArchiCAD, Revit, BIM Modelling, BIM Documentation, Model Pre-checking, Scan-to-BIM, 3D Modelling Project Operations: Project Coordination, Design Coordination, Drawing Review, QA/QC, Documentation, Stakeholder Coordination, BOQ Extraction, Quantity Takeoff Data & Analytics: Microsoft Excel, Google Sheets, SQL, Python, Power BI Project Management Tools: Notion, Jira Design & Digital Media: Canva, Digital Media, Presentation Design Leadership: Team Leadership, Event Management, Cross-functional Coordination, Logistics, Business Operations

Languages	
Languages	Hindi: Native English
