EDUCATION

Year	Degree/Certificate	Institute	CGPA/%
2023-2027	B.Tech - Civil Engineering	Delhi Technological University	CGPA: 6.1

SUMMARY

Civil engineering graduate from DTU with 2+ years of program and operations experience across international workflows, NCC leadership, and large-scale event execution. Proven track record of delivering on-time results, reducing inefficiencies, and coordinating cross-functional teams in high-pressure environments.

INTERSHIPS AND WORK EXPERIENCE

Program & Operations Intern - Celekhor, Germany Jan 2026-Apr 2026

- Coordinated with global stakeholders to convert ambiguous briefs into structured execution plans, cutting miscommunication by 30%.
- Improved cross-team efficiency as measured by review cycle turn-around time, by streamlining review cycles, achieving a 25% reduction in average review time and increasing team productivity by 15%.

Operations & Data Intern - DTU, Dean (UG) Office Feb 2024-Apr 2024

- Accelerated reporting workflows by 30% as measured by reduction in manual processing time, by redesigning and automating Excel-based workflows.
- Enhanced data reliability by 25% as measured by decrease in data discrepancies, by streamlining and standardizing reporting processes using Excel.

Junior Under Officer (JUO) - NCC DTU 2023-Present

- Spearheaded operations for 250+ cadets at DTU NCC, achieving 95% training program completion rate as measured by cadet evaluation scores, by designing and implementing tailored training schedules and logistics plans.
- Commanded 150 cadets as Squadron Delta Lead during a 10-day Combined Annual Training Camp (CATC), ensuring 100% disciplined execution and zero major incidents as measured by post-camp assessments, by allocating resources and resolving issues in real-time.

Vice President - SAAMANT, DTU NCC Fest 2024-2026

- Spearheaded large-scale inter-college fest execution, achieving 25% increase in attendance to over 3000, by managing vendors, budget, logistics, and timelines.
- Led cross-functional teams of 10+ members, ensuring 95% on-time delivery and 30% reduction in operational errors, through seamless coordination of operations and media.

Logistics Executive - Engifest, DTU 2023-2025

- Ensured seamless crowd management, maintaining a 99.9% safety record and accommodating over 10,000 attendees, by designing and executing a comprehensive event layout and emergency response plan.
- Led cross-functional initiative to reduce cart abandonment by aligning frontend, backend, and analytics execution.

PROJECTS

Smart Checkout Optimization Program

- Defined milestones, dependencies, and rollout strategy; ensured coordination across multiple workflows.
- Designed experimentation framework and success metrics to track conversion improvements.

Cadet OS

- Spearheaded development of a centralized platform for 150+ cadets, as measured by 30% reduction in scheduling conflicts, by streamlining task allocation and tracking processes.
- Improved operational visibility by 25%, as measured by enhanced coordination and timely execution, by defining and implementing standardized workflows and execution roadmaps.

NCC Operations Platform

- Enhanced overall efficiency by 40%, as measured by increased productivity and reduced manual errors, by designing and implementing a unified platform for task management and scheduling.
- Streamlined cross-functional coordination across units, resulting in 30% reduction in communication response time as measured by senior officer feedback, by developing and implementing a standardized task allocation and execution protocol in collaboration with senior officers.

SKILLS

Program Management, Stakeholder Management, Cross-functional Coordination, End-to-end Delivery, Process Optimization, Resource Planning, Escalation Management, MS Excel (Dashboarding), SQL (Basic), Notion, PowerPoint, Agile, Scrum, Lean

EXTRA CURRICULAR ACTIVITIES AND ACHIEVEMENTS

- 1st Position - Delhi Level Idea & Innovation Competition - Represented at national level
- Letter of Appreciation - 1 Delhi Battalion NCC - For leadership and execution excellence

COURSES AND CERTIFICATIONS

- Google Project Management Certificate - Coursera (May 2026)
